## Master Locksmiths Association's Annual Conference 2009

The Master Locksmiths Association's Annual Conference and Exhibition was held between 8-10 October 2009 at the Acer Arena, Sydney Olympic Park, Sydney.

Just over 600 delegates attended the recent Lock and Security Expo. This was 30% more than previous years. The record number of 51 exhibition stands also set a new record.

The name BURG-WÄCHTER has been synonymous with private and commercial security since 1920. Specialising in locks and bolts, cash boxes and key cabinets, letterboxes, safes and strongholds. BURG-WÄCHTER develops and produces high quality, user-friendly security products to the highest standards of German engineering under the slogan "Always the safe choice!".
